

Faculty: SCIENCE

Course	Term 1 Content Weeks 8 – 11	Lessons	How to access the work:
Year 12 Biology 1 Year 12 Biology 2	Module 6/7	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 12 Extension Science	Core work	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 12 Chemistry	Module 6/7	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 11 Chemistry	Module 1/2	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 11 Japanese Beginners	Unit 1	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 11 Japanese Continuers	Unit 2	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 11 Physics	Module 2	Lessons will be provided to students via Google Classroom.	Students access the work via Google Classroom. Students have access codes.
Year 10 Science	Working as a Chemist	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Marine	Core 1	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom

			via their school email, if they have not previously accessed this.
Year 9 Science	Maintaining the Dream	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 8 Science	Our Precious Planet	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 7 Science	Working Scientifically	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 7 Japanese	Numbers	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
