Faculty: SCIENCE

Course	Term 3	Lessons	How to access the work:
Year 12 Physics	Module 8		
Year 12 Chemistry	Module 8	Lessons will be provided to students via Google Classroom.	Students access the work via Google Students have access codes.
Year 12 Japanese Beginners	Unit 33 - 36	Lessons will be provided to students via Google Classroom.	Students access the work via Google Students have access codes.
Year 12 Japanese Continuers	Unit 10-11	Lessons will be provided to students via Google Classroom.	Students access the work via Google Students have access codes.
Year 11 Physics	Module 4	Lessons will be provided to students via Google Classroom.	Students access the work via Google Students have access codes.
Year 11 Biology	Module 2		
Year 11 Chemistry	Module 4		
Year 10 Science	Evolution of You	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 9 Science	Up and Atoms	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.

Year 8 Science	Staying Alive	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 7 Science	Our Place in Space	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
Year 7 Japanese	Nihon ni Tsuite – About Japan Hiragana	Lessons will be provided to students via Google Classroom.	Students access work via Google Classroom. Students have been invited to join the google classroom via their school email, if they have not previously accessed this.
