- Provide all meals
- Include students in all your normal weekly activities, including weekend activities
- Organise transport to and from school
- Have a NSW WWCC (Working With Children Check)

## **What do I get in return?**

- The opportunity to share our Australian lifestyle and hospitality with students from Japan.
- Learn about living and studying in Japan
- Host families will be paid \$42 per student per night to assist with the costs involved with hosting.

**\*\***You don't need to speak any Japanese – the students have studied English for at least 5 years and are coming here to speak English!

**\*\*** We will hold a host family information night in November to answer more questions.

*This is a great opportunity to exchange culture and lifestyle experiences  
with students from Japan.*

**Please return the attached host family information form to  
Ms Hargreaves at school. This will go to the students.**
