

TAP REWARD EXCURSION

The TAP squad participated in their annual reward excursion on Wednesday 18th, Thursday 19th and Friday 20th November. On the Wednesday the squad participated in Laser Skirmish, Water skiing/Aquapark and Lawn Bowls. The Thursday the squad climbed Mt Coolum in the morning before cooking up a buffet breakfast. We quickly packed up and drove to Noosa to participate in Mountain Biking at Tewantin State Forest. With lunch on Noosa River the squad took part in a kayaking session in what turned out to be difficult conditions. Each student displayed excellent behaviour and stepped up with their duties making sure they cooked and cleaned when their group was called upon. The last day of the excursion was a day at Dreamworld with student screaming and running around the park. Well done to the TAP squad for your efforts in 2015 and have a great Christmas and New Year break.

Regards

Nathan Williams

From the Principal

Mr Greg Smith

We have recently been informed that Celene Wallis has had her HSC major work Solace selected to be included in ARTEXPRESS 2016 (Art Gallery of NSW, Glasshouse Port Macquarie). From 9,033 students who submitted Bodies of Works for the HSC Visual Arts Examination only 442 students were nominated for ARTEXPRESS. We are very proud of Celene's achievement and congratulate her and her teacher Ms Duncalfe.

Mr William's Engineering Challenge teams competed at Kingscliff High School in week 9. They needed to build a bridge using no more than 250g of supplied material and 2m of string, tested to failure, with the bridge supporting the greatest weight winning. Banora Point High School took out both first and second place. Congratulations to Mr Williams and the students for their great efforts.

2015 has finished on a very note with both BraveArts and our Japanese Study Tour in week 9. BraveArts again showcased the wonderful talent and programs that our creative and performing arts students and staff are involved in. A large amount of work goes into this every year and the staff and students are to be congratulated on their efforts once again. Attendance to the BraveArts night is almost a packed house and it is always very comforting and reassuring to see family, friends and ex-students coming along to watch.

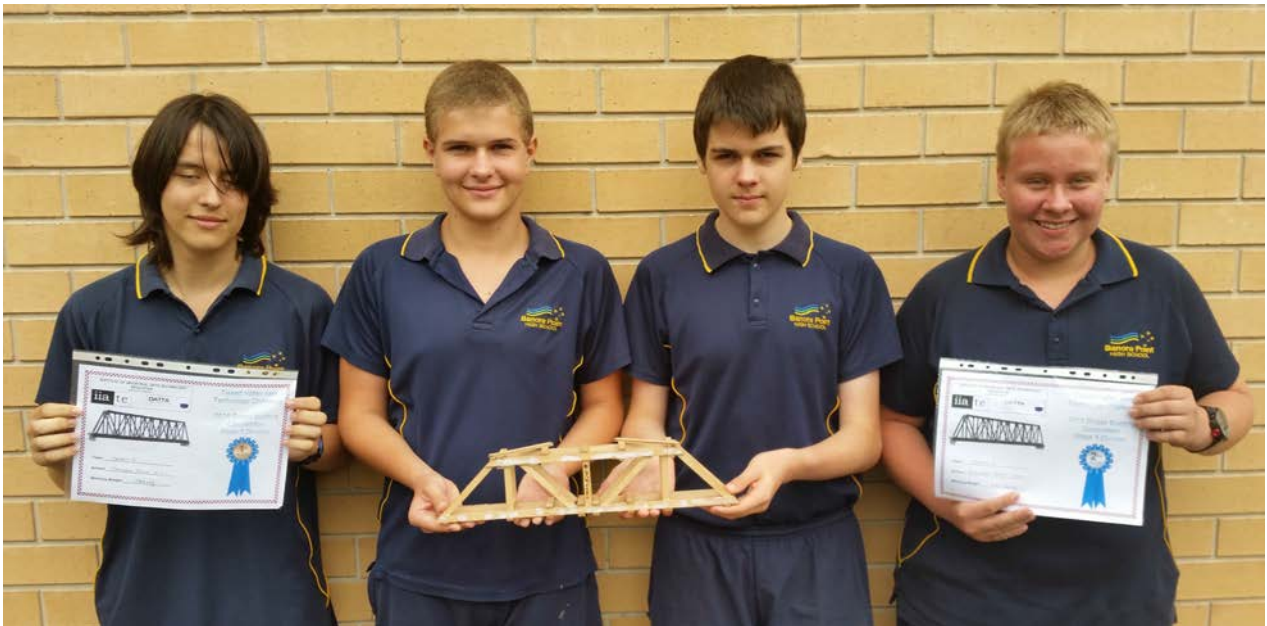

The Japanese Study Tour concluded today and was another great success thanks to the work of Sheridan Hargreaves, Annie Taylor (homestays) and all of the staff, students and community members who assisted. It has become a highlight of our term 4 organisation and the school looks forward to the tour each year. Once again it was of mutual benefit to both our students and our Japanese visitors, with each school learning more about the other country's culture.

Our Year 6 orientation program was held last week. The students all seemed to have enjoyed the day, become more familiar with our school and hopefully made them feel more comfortable about the transition from primary school to high school. We have the largest intake of year 7 students in many years with over one hundred students expected at the start of 2016.

Most of our staff have completed extra training during the year as part of an alternative program to school development days 4 and 5. This was approved by our Director during term 1. They have done this after work in half day sessions on Monday afternoons. These staff therefore will not be at school on Thursday 17th and Friday 18th December. Office and the principal will still be at school on those days should you have any inquiries.

I take this opportunity, on behalf of our school, to wish our entire school community a very merry Christmas and an enjoyable holiday season. Thank you for your wonderful support during 2015.

T5 BRIDGE BUILDING COMPETITION

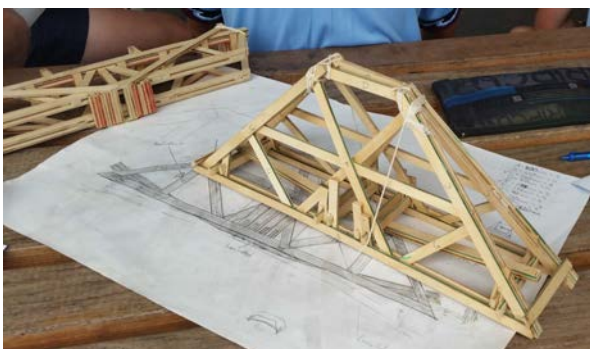

1ST - Yuji Edwards, Harry Maxwell - with a weight of 284.1 Kg.

2ND - Kyle Mayne and Brock Watson with 243.36 KG.

The students were competing against Stage 5 students so this is an outstanding effort. The students have been working on their bridge building skills all term in class and some after school time. This is a great achievement for the boys! BPHS won this competition in 2012 at the first T5 Bridge Building Competition.

The strength for weight ratio of this bridge was 1320 to 1 this means for every gram of wood the bridge held 1.32 kg.

Thankyou to the teams and to Mr Williams for his enthusiasm and hard work in getting the teams ready to participate and win !!

 **White
Ribbon
Day**

As you may be aware Banora Point High School coordinated a mufti day on Tuesday 24 November to raise awareness of domestic violence and the extreme importance of positive relationships.

Many students, administrative, executive and teaching staff got amongst the theme wearing white and donated to help raise money and awareness for such a great cause. Thank you to those who contributed to making a differ-

RESEARCHING, WRITING AND REFERENCING WORKSHOP SOUTHERN CROSS UNIVERSITY

On Friday, the 20th of November, 27 Yr 12 HSIE students attended Southern Cross University to undertake a researching, writing and referencing workshop. The workshop was designed to enhance those skills, which are essential for students to succeed, not only in their HSC but also when they transition into TAFE or university.

The sessions were run by Kayleen Wardell, who is the law liaison librarian and Vivien Walsh, who is a lecturer in the 'Preparing for Success' program. Both presenters are based at the Lismore Campus.

The workshop was held in one of the Gold Coast SCU computer labs. This allowed the students to navigate free online resources and practice effective research strategies. The students were thoroughly engaged and they found the activities that they completed extremely valuable.

I would like to thank Kayleen and Vivien for the time and effort they put into preparing and presenting their sessions but I would also like to especially pass my appreciation onto Jane Gilmour, who organised for our students to attend the workshop. Finally, I would also like to thank the wonderful students that I took to

SCU. Once again you were amazing ambassadors for Banora Point High School.

Kim Clurey
HSIE teacher.

SPORTING EXCELLENCE

One of our rising sporting stars and Talented Athlete squad member Bindi Ware has achieved excellence at the recent Pacific School Games in Adelaide. Bindi's results demonstrate her outstanding ability in the pool and the Pacific School Games wrap up what has been a very successful year for Bindi. The Pacific School games have students representing all states and territories and also students representing the Pacific Rim countries.

Bindi achieved top 5 results in all her 8 events and smashed some of her personal best times in a number of events.

advancedlife
photography . design . printing

Our school photos will be taken on the **8th & 12th February 2016.**

For the convenience of our school community advancedlife have now introduced Online Ordering. School photos can now be ordered and paid for using a secure online Web Portal. *Please note:* Photos can still be purchased using an envelope.

The preference of our school is that Orders and Payments be made through the Web Portal as this reduces the administration and associated order issues related to the return of cash & envelopes on photo day.

To place your order visit www.advancedlife.com.au and enter the code- **[Y9P P9L P2E]**. A full set of instructions on how to order can be found on the back of the order flyer. The order code can also be found printed on the envelopes supplied by advancedlife. Please be aware that-

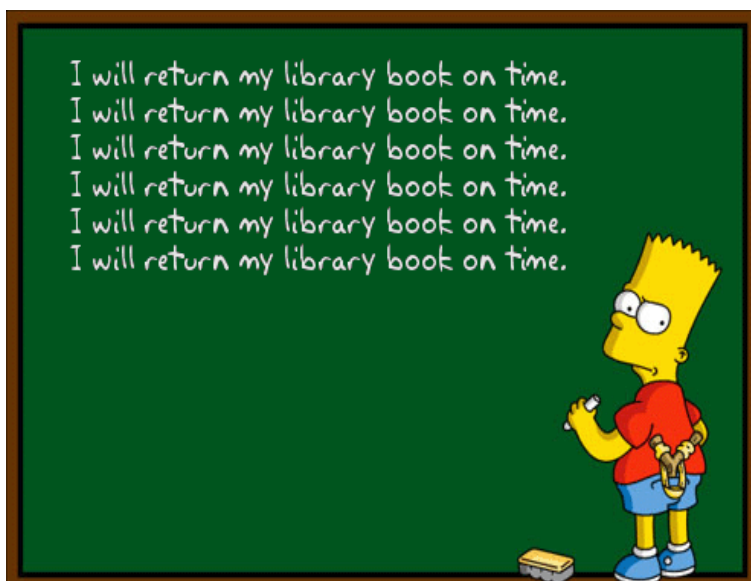

1. Sibling/Family Photos may be ordered online or via envelope. To ensure a smoothly run photography day, **Online Orders for Sibling/Family Photos will be cut off at midnight before our photography day** to allow a list of students that require Sibling/Family photographs taken to be compiled. Sibling Photos can still be ordered after the Online cut off date by collecting an envelope from the office in the usual way and returning the envelope on photo day with payment enclosed.
2. All Online Orders should be placed on or before our day of photography. Please Note: Once orders are closed a LATE FEE will apply.
3. The Online code above Web Portal may also be used to order *previous years'* sports and other group photos at any time.

All Online Orders placed through the Web Portal will be returned to school for collection.

OVERDUE BOOKS

STUDENTS AND STAFF

There are a number of overdue library and textbooks that need to be returned to the school ASAP.

Please return all staff resource books and/or student text books, novels etc. borrowed from the library either straight to the front office team or back to the library directly.

PARENTS: May you please help your children to look for their books at home.

CAREERS NEWS

WORK EXPERIENCE

Thank you so much to all the local businesses that have supported our Year 10 students. I got to get out into the field to check on the majority of students (45 in total), and I must say I came back to work at the end of each day, filled with pride on the glowing reports that their supervisors said about them. Students worked hard to secure their own placements and these varied from Mechanics to Veterinary Surgeries, Holistic Healing to Restaurants, Child Care Centres to Archaeology, Primary Schools to Journalism, Retail Shops to Golf Courses. This is such a wonderful effort and achievement from all Year 10 students; you are a credit to yourselves, the community and Banora Point High School. Here is a snapshot of some of our students hard at work. MERRY CHRISTMAS!

CAREERS NEWS CONT. CONGRATULATIONS

James Maxwell and Ryan Bailey in year 11 have now completed 2 Engineering workshops at Griffith University in their High School Engineering Program. For the first workshop, James and Ryan were put into a team to compete against 73 other students from various schools in QLD and NSW to build a bridge out of Balsa. The boys worked hard and came 1st place overall. The second work shop entailed constructing an electronic circuit on a printed circuit board.

These boys are now eligible to proceed to Stage 2 of the Program in Semester 1 in Year 12 2016 and securing themselves guaranteed entry into an Engineering Degree in 2017. Well Done.

HEAD START AND BRIGHT STARS SOUTHERN CROSS UNIVERSITY

Congratulations to Year 11 students **Koen Sleba, Brandy Peiffer, Breannan Callaghan, Ebony Turvey and Luke Russell** for being selected to participate in the Head-Start Program and **Stephanie Mills** for being selected to participate in the Bright Stars Program at the Gold Coast Campus of Southern Cross University for Semester 1 2016. Head-Start Students will attend lectures and tutorials for the "Communications in Organisation" 1st year University course, and upon successful completion, will be offered entry into one of many degrees at Southern Cross University.

<http://scu.edu.au/futurestudents/index.php/147/>

CAREERS NEWS CONT. CONGRATULATIONS GUEST PROGRAM GRIFFITH UNIVERSITY

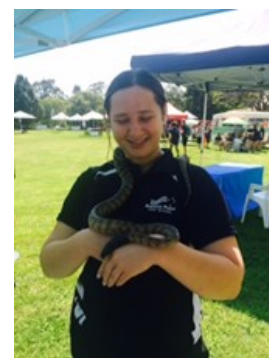

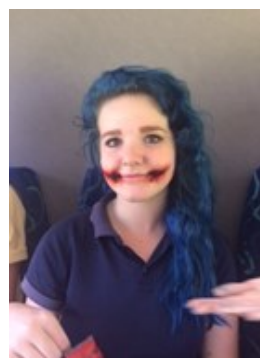

Congratulations to Year 11 students **Tiana Whitlam** and **Haden Bowen** for being selected to participate in the GUEST Program at the Gold Coast Campus of Griffith University for Semester 1 2016. Both of these students have aspirations of moving into a career in LAW after the HSC, and will be studying a 1st Year University Course, "Foundations of LAW". Upon successful completion of this course, these 2 students will be offered entry into one of the many single or double LAW degrees at Griffith University. <https://www.griffith.edu.au/pathways/guests-program>

KINGSLIFF TAFE OPEN DAY

Recently, 50 Year 10 students attended the Kingscliff TAFE Campus Open Day. There were many engaging activities for students to participate in and they learned a lot, and represented Banora Point High School extremely well. A list of some of the activities were:

- **Civil Construction** - Students could have a try and look at earth moving machines and a couple of bigger machines also.
- **Information Technology** - 'I.T Playroom and Information' allowed students to get hands on and have a play with computers, software programs and games.
- **Multi Media** - Multimedia Films – Students viewed a presentation produced by some multimedia students
- **English Language** – Students enjoyed international food served by English language students in traditional costume.
- **Aviation** - Come Fly with Air TAFE – Students could check out the brand new cabin simulation pods and explore a career in flight or ground operations.
- **Commercial Cookery** – Students raced around C Block with challenging food activities and participated in a cup cake decorating class then taste test the finished product.
- **Animal Studies** – Students got to interact with various animals on campus
- **Make Up** – Students were engaged in special effects make up workshops

MAKE ONLINE PAYMENTS

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card. The payment page is accessed from the front page of the schools website (www.banorapnt-h.schools.nsw.edu.au) by selecting \$ Make a payment.

Items that can be paid include voluntary school contributions, subject contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called Other this to cover items not covered in the previous headings, Other can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

the students name, and
class and reference number OR
the students name, and
date of birth.

Please do not pay for uniforms online as the uniform shop is privately owned.

These details are entered each time you make a payment as student information is not held within the payment system. **There is also the option to enter the Student Registration Number and Invoice number if you are aware of them, these are optional fields OR there is also the option to enter the Student Registration Number and Invoice number these are not used at our school, please leave blank.**

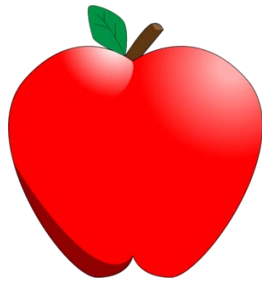

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner, these details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. As a receipt has been issued from the payment page a further receipt will not be issued by the school.

For any enquiries regarding the Online Payment process please contact the School Administration Office.

SCHOOL AND COMMUNITY NEWS

The Greenway Drive Veterinary Hospital has some excellent news! We have been awarded the accreditation of "Hospital of Excellence".

This accreditation recognises the very high standards of diagnostic, surgical, laboratory and nursing facilities in this practice.

This ultimately means that you can have peace of mind. When you trust us with the care of your loved pet, we are dedicated to excellence.

There are only 3 other veterinary hospitals in New South Wales that have achieved this level of qualification. We will continue to achieve excellence.

Thank you for your continued trust.

The BRAVE PROGRAM.

If your child or teen has difficulties with anxiety or just seems to have too many worries, we would like to introduce you to BRAVE Self-Help – an interactive, online program for the prevention and treatment of childhood and adolescent anxiety. It was developed by a group of researchers from the University of Queensland and now, with the support of *beyondblue*, this program is now freely available to all young people aged 8 -17 years old who are living in Australia.

BRAVE Self-Help provides strategies for children and teenagers to better cope with their worries. There are 4 programs available, one for children aged 8-12 years, one for teenagers aged 12-17 years and one for parents of children at these ages respectively. The program can be accessed as often as you like, from the comfort of your own home. For more information, or to register for the program, please visit www.brave4you.psy.uq.edu.au.

CHANGE OF INFORMATION

The school is installing a new roll marking/sms network system which requires up to date changes in email addresses and mobile telephone numbers of carers/parents. If you have changed your mobile in the past and feel you may not have informed the school would you please complete this form along with the email address.

Student Name Year:

Father's Mobile No. Mother's Mobile No.

Home Telephone No. Emergency Contact No.
