The *Partners in Learning* parent feedback survey

Our school will also be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey is being conducted between 17 August and 16 October. Participating in the survey is entirely voluntary; however, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

As indicated in the previous newsletter, the 'Tell

Them From Me' parent surveys are now available through the following link:

Community Consultation Funding

We will hold a meeting on Wednesday 7th October (Week 1 Term 4) at 6.00pm to discuss the Community Consultation Funding that we have received along with the 'Strengthening family and community engagement'. It is a positive step in continuing to strengthen our school-community relationships. We welcome the opportunity to engage with members of our community in making decisions about how best to utilise this funding. The meeting will be held in our Conference Room in the Administration Building.

Year 12 Graduation

The Year 12 Graduation Ceremony will be held this Friday 18th September in our hall, starting at 9.00am. Family and friends of Year 12 are invited along to share in this important occasion.

WEP Australia

Interested in becoming a WEP Australia exchange student? Read on to find out how!

WEP Student Exchange

A WEP student exchange allows teenagers to exchange their school, culture, family and possibly language for a selected time period in another country. It is far more rewarding than simply being a tourist, as students live like locals and acquire knowledge not available to the general traveller. It is a once-in-a-lifetime opportunity to travel and study at an overseas school with the support of a volunteer host family.

Hear from one of our returned students:
"Honestly, choosing to go on exchange is one of the best decisions I have ever made. You experience so many different aspects living in a different culture for a couple of months that you would never experience any other way. I have made so many memories with my host family, friends and improved my French so much that I wouldn't change this experience for anything. I will truly miss everyone I have met!"

—Sophie, France

Find out more on WEP's social media pages!

If overseas travel isn't right for you, why not host?

WEP Student Hosting

We are now looking for volunteer host families for our exchange students arriving in February. Open your hearts and home to an overseas student and benefit from the following:

- Gain longlasting friendships
- Rediscover your backyard loads of fun!
- Experience another culture
- Most importantly, have loads of fun!

"Our hosting experience exceeded expectations. Seb was an absolute delight to have in our home for three short months."
 Kaye, Melbourne

The BRAVE PROGRAM.

If your child or teen has difficulties with anxiety or just seems to have too many worries, we would like to introduce you to BRAVE Self-Help – an interactive, online program for the prevention and treatment of childhood and adolescent anxiety. It was developed by a group of researchers from the University of Queensland and now, with the support of *beyondblue*, this program is now freely available to all young people aged 8 -17 years old who are living in Australia.

BRAVE Self-Help provides strategies for children and teenagers to better cope with their worries. There are 4 programs available, one for children aged 8-12 years, one for teenagers aged 12-17 years and one for parents of children at these ages respectively. The program can be accessed as often as you like, from the comfort of your own home. For more information, or to register for the program, please visit www.brave4you.psy.uq.edu.au.
