

## YEAR 9 EKKA EXCURSION

On the 9th of August, 50 Year 9 students travelled to the EKKA at Brisbane. While there the students got to experience many aspects of rural communities, which complimented the work on 'Communities' which they have been completing in class. This included spending time in the animal nursery, watching the animal judging, checking out the horticultural displays and taste testing many different types of foods. This was a great day and the students should be congratulated on their maturity and cooperation while on the excursion.

### FAIRWELL

It is with mixed feelings that I am informing the school community today that Wednesday 17<sup>th</sup> August will be my last day in the Banora Point High School principal position for 2016. I was informed last week that I was successful for an expression of interest for the Executive Principal of The Rivers Secondary College Lismore. This will be until the end of 2016. Mr Chris Randle will be Relieving Principal during this time and Mr Joshua Edwards will be

Relieving Deputy Principal.

Although I am looking forward to the new challenges at the Secondary College, I thoroughly enjoy my role at such a great school as Banora Point High. I will look forward to hearing about all of the great work that will be happening over the rest of term 3 and 4 in my absence. Our staff are committed to providing the best educational opportunities possible to the students in our school.

### P&C SUCCESS

We had an extremely successful P&C Bunnings BBQ last Saturday. It was our most successful fundraising activity to date. The most impressive part of the day was seeing the willingness of parents, staff and students to sacrifice their precious weekend time to work together to help improve our school. Thank you very much for all of your support.

## T5 GIFTED AND TALENTED DAY

The T5 Gifted and Talented Day at Murwillumbah High School was a wonderful day. Getting to meet Tamsyn who is a local illustrator of children's books was a great experience. We were able to view some of her work and she gave us tips to make up our own story, illustrate it and sew the books together.

Zoe's story was called "Chloe is Hungry", Bindi's "Little Critters", John's "Moon and Sun" and Taylor's "Black is My Brightest Colour".

Thankyou to Mrs Clancy for driving us to Murwillumbah.

# YEAR 7 SUPERNOVA

## IMAGES OF GREATNESS

On Monday, the 1<sup>st</sup> of August, the Year 7 'Supernova' class kicked Education Week off with their *Images of Greatness* celebration night. The night was the culmination of 20 weeks of research and preparation designed to showcase the talents and knowledge of our selective year 7 class.

### WHAT THE PROJECT INVOLVED

In this project, the students researched an eminent individual and developed oral and visual representations that captured the essence of their achievements. Students dressed as their chosen personality and constructed displays that visually communicated why they were considered great. After enjoying a sausage sizzle and light refreshments, parents, grandparents and friends were dazzled by the on stage performances of the students before casually wandering around the displays and interacting with the personalities.

### THE PERSONALITIES RESEARCHED

Walt Disney, Oprah Winfrey, Anne Frank, Fred Hollows and David Attenborough were all present and willing to share their experiences with those in attendance, whilst Bethany Hamilton told tales of how she lives with her disability. All the displays were outstanding and highly engaging.

A big thanks to all the students, parents and behind the scenes workers who made the night the great success it was.

## T5 CHEF FOR A DAY

The T5 Chef For A Day was won by Julie Xiao and Madison Alman. Their dish was commended by the judge as “worthy of serving in his restaurant”. Thankyou to Mrs Naughton for her guidance and transporting the students to Kingscliff High School for the event.

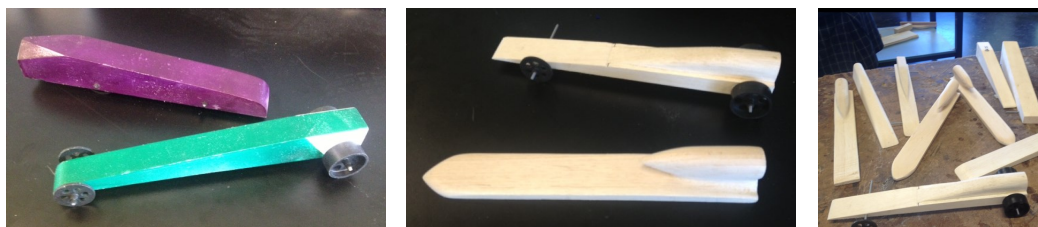

## T5 BAKE OFF

The T5 Bake Off will be held at Murwillumbah High School in week 5 of this term. Students in Year 7 and 8 tried out for the competition and the winners will represent the school in the competition.

## CO2 AND BRIDGE BUILDING

Mr Williams has been working with our CO2 car team and the Bridge Building team to compete in T5 competitions later this term. BPHS won the Bridge Building competition last year, so the challenge is out there for the other T5 schools! Holly Erskine, Kayla Olguin-Smith, Alissa Borg and Codie Ives will represent the school in the CO2 challenge.

## INDUSTRIAL TECHNOLOGY METAL AND MULTIMEDIA

Mr Smith and Mr Fleming have been assisting students with the completion of their major projects in Industrial Technology Metal and Multimedia. Many hours of work goes into these projects and students and teachers are to be congratulated for their ongoing effort.

## YEAR 11 HOSPITALITY

Year 11 Hospitality students have completed their first 35 hour Mandatory work placement. Six students were offered part time work as a result of their application and effort during the work placement. Thankyou to all the work placement hosts who enable our students to experience a range of Hospitality industry venues.

## YEAR 12 HOSPITALITY

Year 12 Hospitality enjoyed a dinner at Misono Japanese Steakhouse at The Marriott Surfers Paradise. The students enjoyed the theatrics of the chefs as they cooked their meal on the tableside grill.

## Tell Them From Me

### THE TELL THEM FROM ME STUDENT FEEDBACK SURVEY

I am delighted that this term, our school, like many other public schools in the state, will participate in a Department of Education initiative: the *Tell Them From Me* student feedback survey. The survey aims to help improve student learning outcomes and measures factors that are known to affect academic achievement and other student outcomes. The focus of the NSW-wide survey is on student wellbeing, engagement and effective teaching practices.

You may remember that our students also participated in a *Tell Them From Me* student survey in Term 1 this year. Asking students to complete the survey twice in one year allows us to identify trends in student responses as well as track engagement and motivation across the school year.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>

The survey is a great opportunity for our students to provide us with valuable and quick feedback on what they think about school life, how engaged they are with school and the different ways that teachers interact with them. Schools in Australia and around the world have used the *Tell Them From Me* survey to help improve how they do things at school.

### IT'S ALL CONFIDENTIAL

I want to assure you that the survey is confidential. The survey is conducted online and will typically take less than 30 minutes to complete. It will be administered during school hours between 22 August and 21 October. Participating in the survey is entirely voluntary.

A consent form and FAQs for parents/carers about the survey is being sent home with students. If you **do not** want your child or children to participate, please return the form to school by **Friday 26<sup>th</sup> August 2016**. Copies of the form and FAQs are available from the website above.

### THE PARTNERS IN LEARNING PARENT FEEDBACK SURVEY

This Term, our school will be participating in the *Partners in Learning* parent survey, another part of the *Tell Them From Me* suite of surveys (student, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 22 August and 21 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

More information about the survey is available at: <http://surveys.cese.nsw.gov.au/information-for-parents>
